

# Complaints Policy

**January 2025**

## **1. Procedure Statement**

**1.1** Red Everywhere believes that if a service user wishes to make a complaint or register a concern, they should find it easy to do so. It is our procedure to welcome complaints and look upon them as an opportunity to learn, adapt, improve, and provide better services. This procedure is intended to ensure that complaints are dealt with properly and that all complaints or comments by service users and their relatives and caregivers are taken seriously.

**1.2** The procedure is not designed to apportion blame, to consider the possibility of negligence or to provide compensation. It is **NOT** part of **RedEverywhere** Disciplinary Procedure.

**1.3** Red Everywhere believes that failure to listen to or acknowledge complaints will lead to an aggravation of problems, service user dissatisfaction and possible litigation. The company supports the concept that most complaints if dealt with early, openly, and honestly, can be sorted out at a local level between just the complainant and Red Everywhere.

## **2. Aim**

**2.1** This procedure aims to ensure that our complaints procedure is properly and effectively implemented and that service users feel confident that their complaints and worries are listened to and acted upon promptly and fairly.

## **3. Complaints Procedure**

**3.1** Good communication is vital for building a partnership between home, the community and RedEverywhere. It also builds understanding and cooperation between parents, staff and the Senior Leadership Team
